

# City of Tillamook Sewer Rates

On July 1, 2006, the City of Tillamook adopted the following sewer rates to provide revenue to pay the cost of enlarging and upgrading the Wastewater Treatment Plant and the sanitary sewer infrastructure:

## Inside the City Limits

Single-family residential and multi-family residential (per housing unit) up to and including 4 units .....	\$44 per month
Multi-family residential (more than 4 units) .....	\$175.92 per month plus \$20.46 per unit over 4 units
Commercial.....	\$11.67 per 1,000 gallons of water used
Low Strength Commercial (fuel stations without deli marts, grocery without deli/grinders, car wash, florist, taverns).....	\$6.29 per 1,000 gallons of water used
Industrial.....	\$7.17 per 1,000 gallons of water used
Public.....	\$5.72 per 1,000 gallons of water used

## Outside the City Limits

Single-family residential and multi-family residential (per housing unit) up to and including 4 units .....	\$76.24 per month
Multi-family residential.....	\$304.88 per month plus \$35.19 per unit over 4 units
Non-residential/Commercial.....	\$8.10 per 1,000 gallons of water used
Public.....	\$6.58 per 1,000 gallons of water used

## Special Cases

In addition, the following surcharges apply for extra-strength sewage from all classes:

For all pounds of suspended solids over 2.5 lbs./1,000 gallons of sewage .....	\$774.22 per 1,000 lbs.
For all pounds of B.O.D. (biological oxygen demand) over 2.5 lbs./1,000 gallons of sewage .....	\$1,161.34 per 1,000 lbs.
